

APPEAL FOR FUNDS

We're counting on you so you can count on us...

To date, the battle against the Stansted Airport Planning Application for 43mppa has cost us in excess of £300,000 and we're now preparing for another High Court challenge. It has always been our ethos to challenge expansion at every turn. We would risk inviting expansion proposals if we were viewed as a 'soft touch'. Please help us to continue to be a strong and effective campaign on behalf of the local community by making a donation to support our work. Please select one of the following options and return this form to the address shown below. Thank you.
